

Sarah Redfern High School

Study Centre

Strength Through Learning

Does your child have access to resources and the materials they need to complete their school work, assessment tasks or assignments? Could they use some extra assistance from a teacher?

WE CAN HELP YOU

The library is open from 3.00pm until 4.30pm on **Monday, Wednesday and Thursday** each week during school terms. This 21st Century Study Centre will provide a safe, quiet place where Sarah Redfern High School students can:

- complete and receive assistance with homework and assignments
- study for tests and exams
- have access to computers/internet (for school related purposes only)

The Centre is open to students of all years and is provided and staffed by the school to give our students every opportunity to excel in their studies.

As this is a school activity the usual procedures apply for permission notes, student behaviour expectations, mobile phones and uniform. Any questions can be directed to Mrs Betham the Teacher Librarian on 9820 1566.

Sarah Redfern High School Study Centre Permission Slip

I give permission for my son/daughter _____
(Name & Year)

to attend the Sarah Redfern High School Study Centre during school terms in the Library from 3pm to 4.30pm on Monday, Wednesday and Thursday. I understand they may leave the Centre at any time and make their own way home, and that normal school rules apply - full school uniform, no mobile phones allowed and the same behavioural expectations as for regular classes.
